

JARC (Section 5316) December 2011 Program of Projects

The Regional Planning Commission (RPC) of Jefferson, Orleans, Plaquemines, St. Bernard and St. Tammany Parishes (RPC), as designated recipient and administer of Job Access Reverse Commute (JARC) funds (Section 5316) for the New Orleans Urbanized Area, is proposing its December 2011 program of projects for the JARC program. Jefferson Transit has been selected as a recipient for these funds, and will use them to implement the project summarized below. JeT is a local government agency that operates public transportation services.

Recipient	Project Description	Project Cost	Federal Share	Recipient Location
1) Jet	Fixed Route service on key suburban commuter corridors	\$1,014,568	\$507,284	Jefferson Parish
