Louisiana

Prepared by
Regional Planning Commission for
Jefferson, Orleans, Plaquemines,
St. Bernard, and St. Tammany Parishes
01/26/ 2012

Disclaimer: The data herein, including but not limited to geographic data, tabular data, and all data elements derived therefrom, are provided "as is" without warranty of any kind, either expressed or implied, or statutory, including, but not limited to, the implied warranties of merchantability and fitness for a particular purpose. The risk as to the quality and performance of the data is assumed by the user. No guarantee of accuracy is granted, nor is any responsibility for reliance thereon assumed. In no event shall the Regional Planning Commission for Jefferson, Orleans, Plaquemines, St. Bernard, and St. Tammany Parishes (RPC) be liable for direct, indirect, incidental, consequential or special damages of any kind, including, but not limited to, loss of anticipated profits or benefits, arising out of the use of the data. The RPC shall not be under liability for any damages or misrepresentation caused by inaccuracies in the data or as a result of changes to the data caused by system transfers or other transformations or occurrences, nor is it the responsibility assumed to maintain the data in any manner or form. Users of the data have been developed from the best information available to the RPC at the time of creation. The RPC makes no warranties and accepts neither responsibility nor liability for the accuracy and timeliness of the data contained herein. Sources used to produce the data may be referenced in the data supplied. Users are encouraged to review the original sources and to exercise their own professional judgment in the use of the information with respect to possible errors, omissions, inaccuracies, positional accuracy, development methodology, date of use, environment and compilation scale. The user is responsible for the selection of the data to be used and responsible for understanding the accuracy, limitations of the data contained herein, the suitability for determining fitness for use and entirely at his/her own risk. The user shall not distribute this information to any third party unless they first agree to these and term disclaimed provisions. Although there have been reasonable efforts to verify the accuracy of the data, no guarantee, expressed or implied, is made by the contributing data providers or any other parties, nor does this act of distribution constitute such a guarantee. The data and information contained herein are intended for information purposes and should not be considered authoritative for contractual, engineering, legal and other enforcement, uses.
