

FY20
Let Projects
Jefferson Parish, Louisiana

Prepared by
Regional Planning Commission for
Jefferson, Orleans, Plaquemines, St. Bernard,
St. Charles, St. John the Baptist, St. Tammany
and Tangipahoa Parishes
1/20/2021

Disclaimer: The data herein, including but not limited to geographic data, tabular data, analytical data, electronic data structures or files, are provided "as is" without warranty of any kind, either expressed or implied, or statutory, including, but not limited to, the implied warranties or merchantability and fitness for a particular purpose. The entire contents of the data are provided "as is" without any other warranty, express or implied. No guarantee of accuracy is granted, nor is any responsibility for reliance thereon assumed. In no event shall the Regional Planning Commission for Jefferson, Orleans, Plaquemines, St. Bernard, St. Charles, St. John the Baptist, St. Tammany, and Tangipahoa Parishes (RPC) be liable for direct, indirect, incidental, consequential, or special damages, even if advised in writing of the possibility of anticipated profits or benefits arising out of use of or reliance on the data. The RPC does not accept liability for any damages or misrepresentation caused by inaccuracies in the data or as a result of changes to the data caused by system transfers or other transformations or conversions, nor is there responsibility assumed for errors or omissions in any manner whatsoever. The user acknowledges that he/she obtained the data from sources. Although efforts have been made to ensure that the data are accurate and reliable, errors and variable conditions originating from physical sources used to develop the data may be reflected in the data provided. Users must be aware of these conditions and bear responsibility for the appropriate use of the data. With respect to the data, the user assumes all risk of loss or damage to his/her information development methodology, time period, environmental and climatic conditions and other circumstances specific to the data. The user is responsible for understanding the accuracy limitations of the data provided herein. The burden for determining fitness for use lies entirely with the user. The user should rely on their own engineering methods and/or independent verification of the data before using them for design procedures. Although these data have been processed successfully on computers at the RPC, no guarantee, expressed or implied, is made by RPC regarding the use of these data on any other system, nor does the act of distribution constitute or imply any such warranty. Distribution of these data is intended solely for informational purposes and is not intended to be construed as a representation of engineering, legal, and other site-specific uses. Data were prepared by Geographic Information Systems (GIS) professionals, not by licensed professional land surveyors or engineers.
