

Public Notice

Notice is hereby given that the Regional Planning Commission is requesting qualification statements for the following project.

**Travel Demand Model Support Services
Regional Planning Commission
RPC Task C-1.23TDM; FY-23 UPWP**

An outline of the desired scope of work is available on the RPC web site <https://www.norpc.org/work-with-us/rfp/>. Contract services are expected to commence approximately 6 weeks from the date of award and will be completed within 9 months following the award of the contract. This is a non-negotiated lump sum contract in the amount of \$50,000. All interested firms are invited to submit their qualifications for undertaking the above study. This project and RPC Notice to Proceed are predicated upon federal funding authorization.

Interested firms shall furnish sufficient technical and supervisory personnel to insure expeditious completion of the work. Firms with demonstrated experience, competence, and qualifications pertinent to the above project are being sought. Socially and economically disadvantaged firms are encouraged to submit qualifications for undertaking the above-mentioned work. Credit for DBE participation will be limited to the firms certified pursuant to the Louisiana Unified Certification Program. For convenience, DOTD provides a list on its website (<http://www8.dotd.la.gov/UCP/UCPSearch.aspx>) of firms that have been certified as eligible to participate as DBEs on US DOT assisted contracts.

Qualification statements are to be submitted on the MPO Standard Submittal Form, "Proposal to Provide Consultant Services." Submit your qualifications on the MPO Standard Submittal Form on a CD (or via email) as a single PDF file for prime and sub-consultants (one copy) along with one hard (paper) copy of the completed MPO Standard Submittal forms. There are no specific minimum personnel requirements, however the organization chart (No. 11), table (No. 12) and resumes (No. 13) must demonstrate sufficient qualified staff to accomplish the scope of work within the stated timeframe, within budget. Experience, both firm and individual; past performance on comparable projects; current work load; and firm size will be the significant evaluation factors which will be used in selecting a firm for the above study. Failure to submit all of the information required on the MPO Standard Submittal Form, for the prime and each sub-consultant, will constitute a non-response.

Letters of interest and qualification statements are to be identified by Project Title and RPC Task Number and are to be submitted prior to the 12:00 noon deadline on **Tuesday December 6, 2022** by hand or mail addressed as follows:

Ms. Maggie Woodruff
