The user assumes the entire risk as to the accuracy and completeness of the data. No guarantee or warranty is granted to the user by the implementer for reliance thereon. In no event shall the Regional Planning Commission for Jefferson, Orleans, Plaquemines, St. Bernard, St. Charles, St. John the Baptist, St. Tammany, and Tangipahoa Parishes (RPC) be liable for direct, indirect, incidental, consequential, or punitive damages, or for any loss of profits or business, or for any loss of profits or benefits arising out of use of or reliance on the data. The RPC does not accept liability for any damages or misrepresentation caused by inaccuracies in the data as a result of changes to the data caused by system transfers or other transformations or conversions, nor is there responsibility assumed for the accuracy of any information that has been developed or generated by third parties or other data sources. Although efforts have been made to ensure that the data are accurate, complete, and reliable, errors and variations originating from physical sources used to develop the data may be reflected in the data supplied. Users must be aware of these conditions and bear responsibility for the appropriate use of the information with respect to errors, omissions, scale, resolution, rectification, position, and accuracy. Development methodology, data processing, and data management procedures are not specified in these data. The user is responsible for understanding the accuracy limitations of the data provided herein. The burden for determining fitness for use falls entirely with the user. The user should refer to the accompanying metadata notes for a description of the data and data development. Although the user is not responsible for the accuracy of the data, the user, by accepting the data, warrants, expressed or implied, it is made by RPC regarding the use of these data on any other system, nor does the act of distribution constitute or imply any such warranty. Distribution of this data is intended for information purposes and should not be considered authoritative for navigation, engineering, legal or other purposes. The user assumes all liability for any use of this data. The Regional Planning Commission (RPC) professionals, not licensed professional land surveyors or engineers.
