Questions about Request for Qualifications/RPC Responses

January 6, 2026

RE: Flood Risk Assessment: Geospatial Dataset Development
RPC Task No: LWICB

1. Could you please confirm whether firms that previously submitted proposals for the Flood Risk Assessment: Geospatial Dataset Development project are required to resubmit under the readvertised notice? Or will the original submissions still be considered?

Q: Once a project is postponed, any submittals received under that advertisement are considered officially rejected. All consulting firms seeking to be considered for selection must formally resubmit their proposals.
